State by State Comparison

Compliments of GA Association of Educators—GAE

Where	Money Source	Mentor Teachers / Current Teachers	Student Teachers	ESPs	FOR IHEs / School Systems	
<u>New Mexico</u> <u>residency</u>	to support teacher		\$35,000 minimum stipend for residents		program coordination at IHEs	\$15.5 million Funds are distributed proportionally across undergraduate, graduate degree, and graduate licensure-only programs that meet state residency definitions, which include co-design and collaboration with districts.
Tennessee RAP Registered Apprenticeshi p program "Teacher Residency"	Federal relief funding Once established can use U.S. dept of ed and DOL \$ to support pathway (WIOA title 1 funding)		Paid by their employer (hired as aids in schools to work with expert teachers) Earn BA and obtain teaching license in three years for free Cover tuition			\$20M
<u>California</u> <u>Residency</u> Program	State general fund				One-time grants to develop new, expand, strengthen or improve	\$350,000,000

<u>Delaware</u>	C	description			residency programs in designated shortage fields. IHE + LEA working together IHE + Local district	
Louisiana		the right mentors and support system	residency that can be used for any purpose as outlined in the IHE grant application		N	
LOUISIANA	ESSA funds	and training		$\langle \rangle$		
	Federal Apprenticeshi p DOL funds <u>Federal grant</u> <u>money means</u> <u>the program is</u> <u>obliged to</u> <u>provide "a</u> <u>living stipend</u> <u>or salar</u> y"		Salary and stipends depending on the program and tuition support		IHEs + local school systems run the program together. An alternative pathway to teaching for those who hold a bachelor's degree. Not teachers of record. Internship while earn master's degree	
Maryland – Washington County	relief money LEADS Grant MOU w. Frostburg, WCTA, WCPS	MA program \$5000 / year	For MAT students get \$30k for the year if they agree to come back and teach in			\$5000 x 7 = \$35,000 \$30,000 x 7 = \$210,000 \$1000 x 50 = \$50,000
